On average a woman using brand name tampons will spend around £7.00 per menstrual cycle, over 12 months that's a cost of approximately £84.

On average a woman using brand name sanitary towels will spend around £5.00 per menstrual , over 12 months that's a cost of approximately £60.

On average a woman using organic cotton tampons will spend around £8.00 per menstrual cycle , over 12 months that's a cost of approximately £96

1 pack of Sea Sponges will last 4-6 months and at the recommended retail price of £7.99, the average women will spend only £15.98 each year!

Deb Peters, Director Pure Balance says "When you consider the sums of money you're talking about and what it could be spent on, it's a crime not to use Sea Pearls. Those extra pounds could be a manicure, a massage or even a deposit on a holiday. Why keep wasting money when you can spoil yourself by using a healthy natural alternative to tampons!"

Sea Pearls™ Natural Sea Sponge Tampons are available from your local chemist and most natural food stores. If your local store doesn't carry them, please request that they do so! If you require any further information on the benefits of Sea Pearls™, please visit www.seapearls.co.uk.
